Euro Heli Series

Belgium 2025 (12-14 September)

Introduction:

We are pleased to announce that the 2025 Belgian Euro Heli Series competition will be held in Reigatstraat in Lichtervelde, West Belgium. The competition will be hosted by the Belgische Modelluchtvaart Liga and Club Bleriot.

We invite all current FAI-registered F3C pilots to compete in this round of the 2025 Euro Heli Series competition.

Number of flights:

All pilots perform 4 "P" flights with the top 15 pilots performing 2 "F" flights. There may be the opportunity to fly additional rounds of the P Schedule or for all pilots to fly the F schedule should they wish. This will be decided before the pilot's briefing once we have an accurate weather forecast for the weekend and know the number of participants.

Flight Order:

Randomly selected by the computer before the start of the competition.

Calibration Flights:

The calibration flight for P Schedule will be completed by the last pilot to fly in the 1st round as the flight order is randomly selected by the F3Scoring application.

For the F Schedule, the calibration flight will be performed by the pilot ranked 16th in the preliminary rounds. If all pilots fly the F Schedule, the calibration flight will be completed by the last pilot to fly in the 1st round of F, as the flight order is randomly selected by the F3Scoring application.

Competitors:

This competition **is** registered with the FAI-registered. All current FAI-registered F3C pilots are invited to register.

Competition Rules:

The competition will be run in accordance with the FAI Sporting Code (including ranking), Section 4, 2025 Edition in addition to all applicable amendments.

Safety:

The competition director may randomly select pilots to demonstrate that failsafe is correctly set on their models.

Protests:

All protests must be presented in writing to the Contest Director at the competition site and must be accompanied by a deposit of 50€. The deposit will only be returned if the protest is upheld.

LINKS

www.euroheliseries.net

Awards:

A Euro Heli Series Diploma will be awarded to all competitors. Trophies will be awarded for 1st, 2nd and 3rd place.

Official Language: Official language will be Dutch/English.

Pilot's Registration:

The maximum number of pilots will be 25 to ensure enough time to complete the rounds. Registration will only be confirmed once a registration form and full entry fee of €90 have been received. The entry fee must be paid in accordance with the registration policy on the Euro Heli Series website.

Registration for the competition is to be done by completing the electronic form on the F3scoring website. A link can be found on the Euro Heli Series website (<http://euroheliseries.net/registration>). Your name will be added to the list once the registration is complete and the full entry fee is received.

Frequency: 2.4GHz only

Judges:

Johan Deroo (BEL)
Cor Hilbrink (NL)
André Bourlier (FR)

Jury: TBC

Competition Director: Guy Vanderschelden

Organisers: Guy Vanderschelden (guy.vds@skynet.be)
Christophe Depruyck (christophe.depruyck@icloud.com)

Meals:

On Friday and Saturday at noon, we warmly invite you to join us for a selection of fresh sandwiches(15euro/3 pcs)together with fellow pilots, judges, and their families..

On Friday evening we will gather around a delicious (22€) and on Saturday evenings we will enjoy a festive barbecue with vegetables (25€),. A small but hearty breakfast (8€) will be served on both Saturday and Sunday morning from 7.30 a.m.to give you the perfect start of the day. Throughout the weekend drinks, ice cream, pie & snacks will also be available at the field for a small fee. To help us prepare, please send an email to guy.vds@skynet.be with the number of people who wish to join for the meals.We are happy to offer options for allergies, vegans, vegetarians and sugar-free diets-just let us know in advance so we can take care of you.ons for allergies,vegans,vegetarians or a sugarfree diet. Please let me know in advance if you want to choose one of these options.

Accommodation:

There is a wide range of accommodation available and I would suggest looking at www.booking.com for some local B&B's and hotels.

On the field:

Camping at the field is possible, but 'no' water and electricity is available. There is some electricity in the Clubhouse for charging your batteries but not that strong, so if possible bring your own generator with you.

We very much look forward to welcoming you and sharing together with all fellow pilots a wonderful and unforgettable weekend filled with flying, friendship, and joy.

Kind Regards, Guy Vanderschelden
