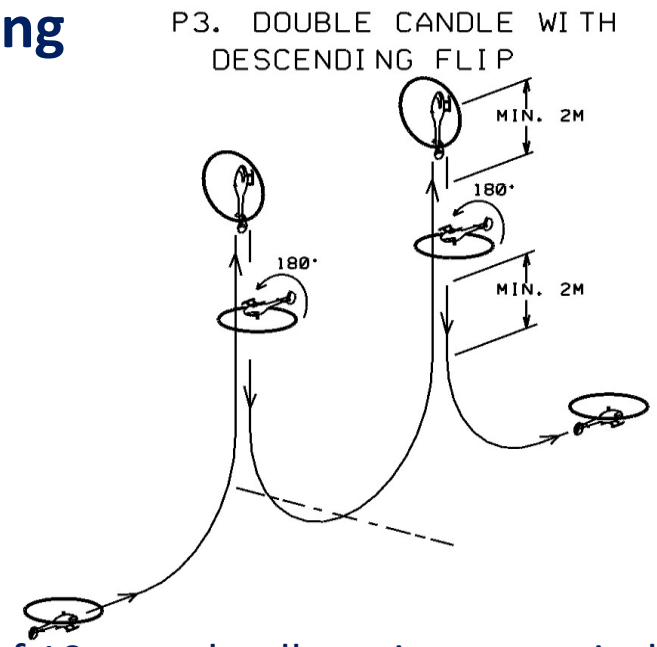
Preliminar “P” Program 2026/2027

Presentation of the Figure: P3 Double candle with descending half flip (DD)

Presentation Created by Roger Lacôme and Eladi Lozano

P3 : Double candle with descending half flip (DD)



MA flies straight and level for a minimum of 10 m and pulls up into a vertical ascent.

After a nose up stop MA flies backwards vertically for 2m minimum performs a half pulled travelling flip, descends vertically for a minimum of 2m, performs a centred half loop and ascends vertically.

After a nose up stop MA flies backwards vertically for 2m minimum, performs a half pulled travelling flip, descends vertically for 2m minimum and then pulls into horizontal straight and level flight for a minimum of 10m.

Note 1: The 2 flips must be made at the same altitude.
Note 2: The bottom of the half loop must be at the same altitude as when entering the figure.
